Rheumatism

It is an established fact that Hood's Sarsaparilla has proven an invaluable remedy in many severe cases of rheumatism, effect-ing remarkable cures by its powerful action in correcting the acidity of the blood, which is the cause of the disease, and purifying and enriching the vital field.

It is certainly fair to assume that what Hood's Sarsaparilla has done for others it will do for you. Therefore, if you suffer the pains and aches of rheumatism, give this potent remedy a fair trial.

A Positive Cure.

"I was troubled very much with rheuma tism in my hips, ankles, and wrists. I could hardly walk, and was confined to my bed a good deal of the time. Being recommended to try Hood's Sarsaparilla, I took four bottles and am perfectly well. I cheerfully recommend Hood's Sarsaparilla as one of the best blood purifiers in the world." W. F. Wood, Bloomington, Ill.

For Twenty Years

I have been afflicted with rheumatism. Before 1883 I found no relief, but grew worse. I then began taking Hood's Sarsaparilla, and it did e more good than all the other medicine I ever had." H. T. BALCOM, Shirley, Mass. "I suffered from what the doctors called muscular rheumatism. I took Hood's Sar-saparilla and am entirely cured." J. V. A. Photoproof, letter carrier, Chicago, Ill. has heretofore been made in the treatment of rheamatism, neutralgia, and nervous or sick healache. This is evidenced by the failure on the part of thousands of sufferers to find relief, even though they have exhausted the skill of various physicians and tried numerous so-called remedies. To such Athlophoros is offered as a sec. sure, and quick cure. Its success has been pho

omenal, and yet it is not surprising because it will do all that is claimed for it, The Athlophoros Co will gladly refer any who desire to make an investigation to re-liable parties who have been cured by it. Malleste, of the Mallette & Raymond Manuf. Co., No. 329 South Canal St., Chicago, III. says: "My wife has been a great sufferer from neuralgia for a long while, but a half bottle of Athlophores cured her but a har feetire of Atmospheres are since, so that she has not suffered any since. When it was first recommended to her, she would not get it as she was always op-posed to taking any kind of patent medi-cines. But as the treatment she was under gave her no relief I insisted on her trying and the part of the relief is the part of the state. Athlophoros. After taking a half bottle the neuralgia was gone and has not re-

DARING WORK OF THIEVES AT MIN NEAPOLIS, MINN.

Store on the Outside, Break in the Window, and Make Off with a Number of Diamonds-Cold-Blooded Murder

Minneapolis, Minn., Dec. 24—A cutter drawn by two horses drew up in front of Elliott's jeweiry store, on Nicollet avenue, at 11:20 o'clock Wednesday night and two of the three men who were in it jumped to the ground. One of them had a heavy oak bar in his hands and he ran to the door of the jewelry store and slipped it through the handles of the outer door, thereby preventing it from being opened from within. An electric light was burning in the store and a quantity of diamonds and other jewelry were displayed just within the big show window. The second man who alighted from the cutter had a small ax in his band and as soon as his partner had fastened the door the smashed in the big window, shattering it to pacces. The two men made one grab apiece at the diamonds within, and deaping back into the cutter, were driven at a clipping pace up the street. The crash of glass drew a hundred persons to the spot in a noment, and many of them saw the two men as they were driven away. Two clerks inside at once yelled for the door to be opened, and when this was done they covered up the window and sent for the police.
